

The AI Enthusiast

Your Motto:

**“AI is a new tool-let’s explore it
and use it well!”**

Bring into the conversation:

- Reflections on how AI can help us grow
- The benefits and smart uses of AI tools

Push the group to innovate but stay mindful.

Bring into the conversation:

- Reflections on whether our decisions will help us succeed
- The risks versus the rewards pragmatically

Push the group to focus on academic results, productivity, and efficiency.

The Ethicist

Your Motto:

“Just because we can doesn’t mean we should”

Bring into the conversation:

- Reflections on whether this is fair and responsible
- Ethical boundaries and societal consequences, including the environment

Caution the group about normalizing unethical shortcuts.

The Ethicist

Your Motto:

“Just because we can doesn’t mean we should”
